

Women in HPC- ISC19

Navigating your career & the Importance of negotiating

Martina Naughton

European HPC/AI Sales Leader

My Career

No clear path

Learning

Values

Continuous learning, new skills, re-invention

Get comfortable with uncomfortable

Put your hand up

Your best is often much better than others

Sometimes now is not the right time

Negotiating

For the business vs for yourself

Understanding your value- more than you believe

Keep negotiating to evolve, to create new opportunities, to keep growing

The power of your manager/ your network
